Pipeline Project Update at February Luncheon

What's Next for Jordan Cove & Pacific Connector Proposal

The Roseburg Area Chamber of Commerce's February membership meeting program will put a spotlight on the proposed LNG pipeline project. The project update will be given by Michael Hinrichs, from **Jordan Cove & Pacific Connector**.

As most of our members know, the proposal recently received an adverse ruling by the Federal Energy Regulatory Commission ("FERC") but, Jordan Cove project proponents have vowed to press forward. Hinrichs is expected to discuss the FERC ruling, the company's plans to re-file its application and next steps.

The project consists of a 232-mile pipeline starting in Malin, OR that travels across Klamath, Jackson, Douglas and Coos Counties until it connects with a proposed natural gas export facility at the Port of Coos Bay.

Mr. Hinrichs will give an update on the project's re-filing with the Federal Energy Regulatory Commission, progress on commercial and land agreements and general public benefits to Southern Oregon. The Roseburg Area Chamber of Commerce has been a supporter of the LNG pipeline proposal since April 2009.

The chamber's February 13 membership meeting is from 11:30 am to 1:00 p.m. at the fairgrounds' community conference hall. Reservations are required. Cost for Roseburg Area Chamber members is \$20 per person or \$150 for a table of eight. For non-member businesses or the general public, the cost is \$30 per person. Tickets may be purchased [online here](#) or by returning the flyer. Tickets are not sold at the door. **Reservation deadline is Friday, February 10 at noon.**

Legislative Conference Calls

During the 2017 Oregon legislative session, the Roseburg Area Chamber will, once again, host twice monthly calls with the members of our county delegation in Salem. This year, the legislative conference calls will be held on the second and fourth Wednesday of each month from 7:00-8:00 am in the chamber conference room.

It is important for our members to participate in these calls to ensure our legislators hear from local business. It is also a great opportunity to hear firsthand what's happening in Salem during the session.

This month, the discussions with legislators will be on February 8 and 22. Look for more information about these and future legislative conference calls in "Chamber News" emails and your Business Perspectives e-newsletter.

InUmpqua Advertising Opportunity

Advertising sales for the chamber's 2017-18 publication of *InUmpqua*—a business directory, community profile and visitor magazine began last month.

More than 15,000 copies of the *InUmpqua* are distributed each year throughout Douglas County and the state of Oregon. This publication remains one of the best advertising values available to market your business to other businesses, residents and visitors alike. It also presents an opportunity to support the chamber, as a portion of ad revenues underwrites the chamber's annual operating expenses.

InUmpqua is provided each year to chamber members, local businesses and is distributed in the visitor center and to chambers and visitor centers around the state. The publication is also used for new physician recruitment, relocation information provided to prospective new businesses and residents, various economic development endeavors and distributed by tourist destinations throughout the region.

A copy of the advertising rate sheet/contract is on page 10. If you already know the level of your participation this year, please fill out the enclosed contract and return it to Roseburg Area Chamber of Commerce, PO Box 1026, Roseburg, OR 97470 or fax to (541) 673-7868. Your advertisement needs to be reserved by April 25, 2017. We look forward to working with you. If you have any questions, please don't hesitate to contact the chamber at roseburg@roseburgareachamber.org.

Message from the Board Chair

Progress and Purpose in 2017

by Angela Brown, 2017 Board Chair

For my first order of business, I want to thank the chamber's immediate past chair, Kent Rochester. It was a pleasure serving as your vice-chair last year. You will be a hard act to follow. I speak on behalf of the chamber staff, your fellow board members and the entire membership when I say thank you for your diligent service, commitment and dedication as chamber board chair for 2016. Last year was a challenging year for business and I am so glad we had Kent at the helm. I will do my best to follow his lead and am honored to serve as your chair of the board this year.

As I mentioned, 2016 was a very busy year for the chamber with the "No on 97" battle, BOLI changes, minimum wage increases and several other not-so-business-friendly issues. I am amazed at how our chamber stays on top of all these difficult issues. For a detailed list of the chamber's 2016 activities and accomplishments, please see page 5.

This chamber provides you, the membership, needed information to make educated and well-based decisions. They lobby for what is best for the businesses in our area, not Portland or Seattle, but here in Roseburg. I was born and raised here in Roseburg, as I am sure a lot of you were, so I feel like I have a vested interest in seeing Roseburg business thrive, prosper and succeed. I feel that being involved and volunteering for our local chamber is the least I can do.

Since joining the chamber in 2006, I have learned so much about a community that I have lived in, basically all of my life. I am a 2011 Project Leadership graduate; this program alone is what sparked me to volunteer for committees, commissions and the chamber board. I highly recommend this program to all employers. Get your employees involved so that they can offer their energy and ideas on the enhancement of Roseburg business and move us all forward.

But, enough about me, let me share what your chamber has on its list of priorities this year. Under the chamber's Economic Development Division, we will advocate for effective forest management, the Jordan Cove LNG pipeline project, a medical education campus and several other significant issues.

Government affairs will be, as usual, where the lion's share of our work happens this year. Starting with the chamber's 2017-18 Public Affairs & Legislative agenda to oppose anti-business and support pro-business initiatives and legislation; keeping our membership informed of what's happening in Salem and Washington DC via the "Calls to Action," email blasts, newsletters, legislative conference calls and, of course, our monthly membership meetings.

The chamber will continue to serve our members and local businesses by providing high-caliber programs and activities. We are always working to grow the chamber and we can all play a role in that. If you know a business, new or old, that would benefit from joining the chamber, please, by all means, send them our way. We all know referrals are the best form of promotion and there is strength in numbers. We plan to launch a new website this year, something all members will be able to use as a great tool.

Finally, the chamber will continue to promote Roseburg and the Land of the Umpqua as a premier visitor destination. We will continue to expand digital and social media into our integrated and multi-faceted promotional campaign and be the "go to" for information requested by visitors online, in person and by phone. For a more detailed list of chamber priorities for 2017, see page 6.

All of that being said, our chamber Vision says it all . . . to advocate for and be the voice of the business community in the greater Roseburg area, while following our Mission to strengthen, enhance, and protect our members through political advocacy, economic development, community promotion and member programs and services. I look forward to the upcoming year!

Chamber Celebrates Business at Annual Banquet

Businesses, Business and Community Leaders Honored

The Roseburg Area Chamber of Commerce held its annual membership meeting and awards banquet on Thursday, January 26. The chamber presented its executive team for 2017, highlighted its 2016 accomplishments and activities and shared the organization's key priorities for this year. The premier event celebrated Roseburg and Douglas County businesses and gave the chamber its annual opportunity to recognize business excellence and distinguished service.

New chamber officers who took office on January 1 are led by 2017 chair of the board Angela Brown of **Southern Oregon Credit Service, Inc.** Joining Brown on the executive committee in 2017 is vice chair Toby Luther of **Lone Rock Timber Management**; treasurer Rheanna Mosier, **Elwood Staffing**; immediate past board chair Kent Rochester, **Big Wrench**

Media; chamber president and CEO Debbie Fromdahl and board member Allen Pike, **Windmill Inn.**

The chamber heads into 2017 unwavering in its mission to serve, promote and protect the businesses of Douglas County. The chamber will continue its work to create a strong local economy; represent the interests of business with government through political advocacy; promote the community and our

businesses; and, of course, provide the quality programs chamber members have come to expect. The chamber understands that much of its efforts this year will focus on defeating anti-business legislation and supporting pro-business legislation during Oregon's 2017 legislative session.

During the evening's festivities, the chamber recognized three local companies for their excellence in business. The 2016 Small Business of the Year award went to

ROSEBURG AREA CHAMBER OF COMMERCE 2016 ACTIVITIES & ACCOMPLISHMENTS

- Defeat of Measure 97—RACC staff and leadership entered 2016 knowing that one of its biggest challenges and priorities would be to defeat IP28/Measure 97; work for over a year with statewide coalition members and local business supported the effective grassroots effort to educate public and defeat the measure
- Continue political advocacy under RACC's 2015-16 Public Affairs & Legislative Agenda
- In a "short-year" Oregon legislative session like no other, RACC advocated for pro-business legislation and against anti-business legislation during the 2016 Oregon Legislative session, including: opposing proposed increase of Oregon's statewide minimum wage to \$15/hour (specifically advocating on behalf of rural Oregon communities), extension of U.I. benefits for locked-out workers, cap-and-trade, corporate disclosure tax bill, familiar/caretaker protected status, to name a few. The chamber supporting proposed "fixes" to Oregon's mandatory paid sick leave law, \$6 million in funds to UCC for renovation of Snyder Hall, federal tax law reconnect and Brownsfield development grants legislation
- Hosted twice-monthly calls with members of legislative delegation during the 2016 legislative session to ensure business voice is heard and up-to-date on legislative session activities
- Presented RACC's first awards for business recognition program at its annual membership meeting and awards banquet
- During an election year, hosted candidate forums for city council, county commissioner and state legislative races during both primary and general election
- Endorsed for re-election: Senator Jeff Kruse, Representative Dallas Heard and Representative Cedric Hayden—all re-elected
- Represented the interests of business with government by monitoring federal, state and local political activity, taking positions when appropriate, such as:
 - Continued opposition to Crater Lake Wilderness Area Proposal
 - Opposed U.S. Department of Labor's new overtime regulations; proposal more than doubled current threshold
 - Year-long campaign opposing initiatives and ballot measures proposing to increase corporate and personal income taxes as well as minimum wage. PAC fundraising to oppose these initiatives and measures
- Continued advocacy for increased management of public lands to include increased harvest; also, for effective forest management after fire or other catastrophic event
- Updating, at least weekly if not daily, of interactive VisitRoseburg.com website
- Continued active involvement on local collaborative boards and committees for the benefit of business and economic development
- Roseburg Area Chamber Political Action Committee (RACPAC) continued to grow, targeted funding for "No on 97" campaign
- Chamber's government affairs team continued its presence at and monitoring of city council meetings and activities
- Continued active support for Jordan Cove LNG proposal and Med-Ed Training School proposal
- Produced highly-requested InUmpqua (a business directory, community profile & visitor magazine) with local, regional and statewide distribution
- Chamber's destination marketing, advertising and branding campaign for Roseburg and the Land of Umpqua continues to evolve, grow and change based on industry trends, market analysis and evaluation of ROI.
- Provided membership political awareness via newsletter articles, "Call to Action" emails, membership meetings, candidate forums and legislative calls
- Held two Chamber 101 events specifically welcoming new members
- Hosted 62nd annual membership meeting and awards banquet
- Hosted State of the County, State of the City and State of the Timber/Wood Products Industry presentations
- Chamber expanded its countywide "shop local" messaging; advocated "shop local" for Black Friday and "shop small" on Small Business Saturday and throughout holiday season with "kick-off" event at membership luncheon the week of Thanksgiving
- Completed 27th year of Project Leadership Roseburg, with class project of painting, new benches and landscaping at South Umpqua High School in Myrtle Creek
- Commenced the 28th year of Project Leadership Roseburg program
- Hosted successful programs and business promotional, educational and/or networking events: monthly membership meetings and Business After Hours
- Upgraded chamber communications, specifically its electronic newsletter, Chamber News emails and Calls to Action; produced 12 editions of Business Perspectives and Visit Roseburg e-newsletters
- Produced Economic Forecast 2017 with leading experts in finance and banking, economics, timber, medical and employment trends
- Produced TV ads for out-of-area marketing; updated I-5 billboard promoting visitor attractions; produced bi-annual calendar of events brochure; continued social media efforts through Twitter, Facebook and Pinterest
- In addition to integrated print, digital, broadcast and billboard media campaign to promote area as a visitor destination, on-going visitor services and outreach included on-site visitors to visitor center; Visitor Guide and other mailings; destination promotional materials provided to appropriate venues throughout the state of Oregon, increase website visits from advertising; significant increase in website downloads of information; visitor inquiry 1-800 line and e-mail requests for information about Roseburg and the Land of Umpqua
- Continued great membership benefits programs: discount card with e-coupons program, member referrals, distribution of relocation information; expanded participation in grand openings and ribbon cuttings
- Due to request/demand, expanded distribution of Land of Umpqua winery map and brochure
- Continued visitor destination promotion in larger, affluent markets -- Portland-Metro, Bay Area and southern California as well as national promotional expansion and into Canada
- Provided customer service training for the hospitality industry
- Coordinated all-day employability skills panels at Roseburg High School targeting entire Freshman class
- Produced Roseburg/Douglas County map for local, regional and statewide distribution

Business Member Spotlight

The Steel Outlet

Brief Business History: The Steel Outlet Inc. was founded in Roseburg, Oregon in 1984. It was sold in 2011 to the current owner, Bob Korntved, who worked for the company for 18 years prior to purchasing the business. It originally started where the current Safeway is located off Stephens Street in Roseburg, Oregon. In the early 1990's, it moved a short distance near the Roseburg Airport on Channon Street. Then in 2001, The Steel Outlet moved to its current location out Diamond Lake Boulevard.

Marketing Niche: The Steel Outlet offers new and used steel sales and custom fabricating jobs for both residential and commercial. They will locate custom materials for your job needs. They have a wide variety of used steel on hand and a large trailer parts selection. The Steel Outlet does plasma cutting that will allow you to fix, repair or create many different things such as gussets, control arms, sprockets, and custom metal signs up to a large custom gate design! With this in mind, they are able to do your projects, repairs, and fabrications from start to finish.

Business Philosophy: The Steel Outlet has been dedicated to providing the best customer service for over 32 years. They have a safe, open, working environment that allows customers to see the projects being worked on while they purchase their steel supplies or trailer parts. The employees are committed to helping customers find the right materials for each job and believe in giving back to our community. They sponsor multiple schools that help children throughout Douglas County.

Why The Steel Outlet joined the Roseburg Area Chamber of Commerce: "We have been a member of the Chamber of Commerce for many years. The Chamber opens up many different avenues that help us stay connected to our community and distributes our business name to others seeking information on steel products."

*(Winners are selected each month from a random drawing of chamber members.)
Congratulations to The Steel Outlet.*

Business Celebrated

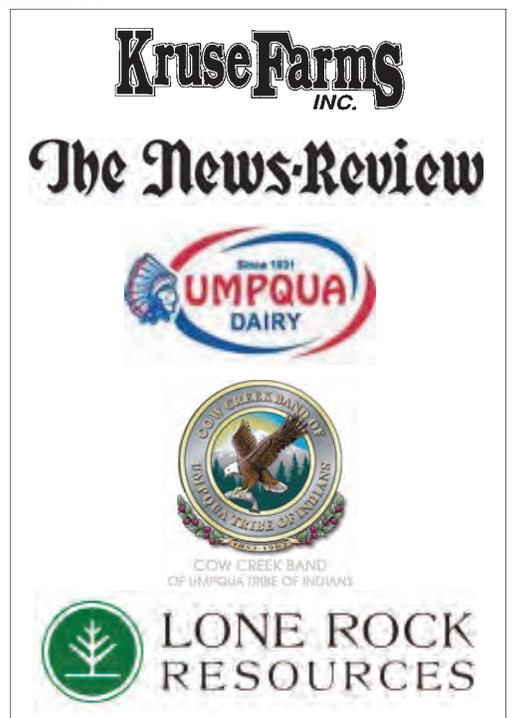

Kruse Farms. The News-Review was recognized as the medium-sized business of the year, with **Umpqua Dairy Products Co.**, receiving the chamber's large business of the year honor. The Roseburg Area Chamber of Commerce awarded Don Cook, from **Express Employment Professionals**, as its 2016 volunteer of the year for his dedication, time and service to the chamber and local business community.

The chamber's 2016 Business Innovation award went to co-honorees, the **Cow Creek Band of the Umpqua Tribe of Indians** and **Lone Rock Timber Management Co.**, for exceeding the norm of resourcefulness and creativity. The chamber's recognition touted their partnership (along with Confederated Tribes, etc.) to purchase Elliott State Forest lands; a venture for the preservation of the environment and protection of our local economy.

Victoria Hawks was named female First Citizen for 2016 and Mayor Larry Rich was named the 2016 male First Citizen for their longtime service and outstanding volunteer activity over a number of years outside their chosen vocations. Honorees possess a high degree of cooperation and are recognized leaders whose involvement inspires others.

Recipient of the top future first citizen scholarship recognition was Roseburg High School senior, Bronwyn Spakousky. She was granted an \$8,000 scholarship. Four other Roseburg High School seniors, first runner-up finalists, each received a \$2500 scholarship and five second runner-up finalists each received \$1000 scholarships. Benefactors of the future first citizen scholarship program are the Bruce family, Mercy Medical Center, TMS Call Center, Umpqua Bank and Umpqua Dairy Products Co.
