Leadership Applications Accepted

Chamber's Project Leadership Roseburg a Must For Future Business & Community Leaders

The Roseburg Area Chamber of Commerce is now accepting applications for 2017-18 Project Leadership Roseburg. If you or one of your employees is a future Douglas County business leader, then you'll want to be part of Project Leadership which begins its 29th year in September. The chamber has graduated more than 550 individuals from this distinguished professional development program.

Not your typical leadership program, Project Leadership Roseburg provides participants with a comprehensive awareness of Douglas County and a deeper understanding of how our community works directly from our leaders. The nine-month program shares knowledge about our region and fosters dedication to our community as participants learn

about how they can get involved to help create a more vibrant future for Douglas County.

Project Leadership is a two-year commitment for participants. During the first year, participants attend a day-long session each month from September 2017 through May 2018. The full-day workshops range from panel presentations to tours on a variety of subjects and include leadership and teambuilding activities. The subjects include in-depth glimpses at economic drivers such as natural resources, manufacturing, tourism, education and health care industry, to name a few. Participants will be the chamber's guests at Economic Forecast this fall, the annual awards banquet next January and, of course, graduation at the next May's membership meeting

Message from President / CEO

The Long, Slow Legislative Session Continues

by *Debbie Fromdahl, President/CEO*

There are thousands of pieces of legislation introduced each session of the Oregon Legislative Assembly. The Roseburg Area Chamber of Commerce restricts its positions on proposed legislation to those either favorable to or adversely impacting the greater business community. Most chamber positions on legislation are established in the fall prior to the legislative session before bills are actually introduced. We typically know well in advance what kinds of proposed legislation we'll face during the upcoming session.

These positions as well as long-standing stances on issues at the local, state and federal level, dictates the chamber's legislative and public affairs agenda. Developing this agenda every other year has allowed the chamber to be more agile in its ability to weigh in on issues and submit testimony. When it comes to specific proposed legislation, the chamber typically takes a position on 60 to 80 bills a year. Below is a highlight of some of the bills the chamber either supports or opposes on behalf of our Douglas County business community:

RACC Supports:

- HJM 11** - Urges President and Congress to pursue Oregon and California Railroad grant land management reforms.
- SB 329** - Extends preemption of local governmental authority to regulate work schedule requirements.
- SB 559** - PERS reform that would change the calculation of final average salary to use five years instead of three years.
- SB 560** - PERS reform that would redirect employee contributions from an IAP account to be used to pay for the member's pension or other retirement benefits.
- SB 984** - Relating to calculation overtime for employee who exceed maximum allowable hours during workweek, requiring employer in industry with requirement to pay overtime after certain number of hours worked in one day to calculate applicable overtime pay for employee on daily and weekly basis and pay greater of two amounts.

RACC Opposes:

- SB 165** - Limits small business tax cut passed during 2013 Legislature.
- SB 301** - Would prevent employers from firing employees based on employee's use of marijuana.
- SB 557/HB 2468** - Would implement a "cap and trade" system for Oregon manufacturers that emit CO2.
- SB 737/HB 2129** - Would increase damage awards in medical malpractice lawsuits.
- SB 828/HB 2193** - Would implement a predictive scheduling mandate.
- SB 847** - Relating to state trust lands, creating process for State Land Board, Department of State Lands and Legislative Assembly to coordinate transfer of certain trust lands managed for benefit of Common School Fund that have limited performance potential as assets of Common School Fund to certain other public bodies.
- SB 1040** - Ensures private sector labor organizations and employers through state may enter into union security agreements to full extent allowed by federal law—adverse to "right to work" directives.
- HB 2019** - Requires the Oregon Department of Revenue to submit to the Legislative Revenue Officer information from Oregon tax returns about certain corporations doing business in Oregon.

Legislative Positions

RACC Opposes (continued):

- HB 2064** - Changes current law related to use of transient lodging taxes.
- HB 2169** - Would limit award of attorney fees to employee who prevails on a claim against employer in wage and hour and employment cases. Current law allows for the awarding of attorney fees to the prevailing party, regardless of whether that is the employer or employee. *Died in committee.*
- HB 2180** - Would allow for liens against an employer's real and personal property by claimants alleging unpaid wages. The employee would not be required to prove the validity of their claim prior to filing the lien. *Died in committee.*
- HB 2181** - Creates rebuttable presumption against employer if employer takes certain adverse actions against employee within 90 days of employee's protected wage-related activity. Requires employer, after termination of employee, to provide to employee within 10 days of employee's written request, reason for termination of employee. Makes violation subject to punitive damages and provides right to jury trial.
- HB 2230** - Would implement a new 0.7% commercial activities tax on Oregon businesses.
- HB 2744** - Relating to expenditure of local transient lodging tax, amending definition of "tourism-related" facility. *Died in committee.*
- HB 2768** - Relating to local transient lodging tax, expanding the definition of "tourism promotion" for purposes of local transient lodging tax revenue expenditures. *Died in committee.*
- HB 2774** - Requires the Oregon Department of Revenue to make information contained in central assessment roll available to general public on department's website.
- HB 2830** - Increases corporate excise tax.
- HB 2831** - Increases corporate minimum tax on S-corps with Oregon sales that exceed a certain amount.
- HB 2876** - Would add a new 13% tax rate for income above \$250,000; significant for small business as business income is typically taxed at the personal income tax rate.
- HB 2952** - Requires disclosures by corporations claiming tax credits. Specifies that corporate taxpayer claiming tax credit consents to disclosure of taxpayer's name and about of credit.
- HB 3087** - Relating to family medical leave insurance benefits, creating paid family and medical leave insurance program to provide covered employee with portion of wages while on family medical or military leave. Requires approval by three-fifths majority.
- HB 3226** - Requires State Board of Forestry to establish criteria for preserving natural resource values on forestland.
- SJR 3/HJR 1** - Would essentially repeal Ballot Measure 50, passed by Oregon voters.
- SJR 41** - Amends Oregon Constitution providing for imposition of business tax on gross receipts derived from Oregon sales and establishes Oregon Rainy Day Fund.

luncheon. Participants will also select, raise funds and complete a small community-benefit project.

After participants "graduate" from Project Leadership Roseburg in May of 2018 they will support chamber staff with facilitation of a workshop session for a new class of participants, thus fulfilling their second-year commitment to the program.

The Roseburg Area Chamber of Commerce is currently accepting applications for the 2017-18 Project Leadership program. Space is limited. Applicants may be either employer or self-sponsored. The cost for the program is \$650 for members of the Roseburg Area Chamber and \$850 for non-members. Roseburg Area Chamber members will be given priority. Acceptance is on a first-come, first-approved basis.

Visitor Center Welcome Summer Travelers

Summer is when we welcome the greatest number of visitors to the Roseburg area and while summer doesn't officially start until June 21, summer temperatures and visitors are already on the way.

The Roseburg Area Chamber of Commerce generally starts to see an increase in the number of requests for visitor information in May, but this year those requests started in March as a result of the chambers efforts marketing Roseburg and the Land of Umpqua as a travel destination.

The chamber begins its preparation for the influx of summer visitors the previous fall. With the increase of visitor traffic, we've extended the hours of operation at the Roseburg Visitor Center. From now through the Labor Day weekend the visitor center will be open seven days a week.

Whether your interest lies in biking or hiking the NUT (North Umpqua Trail), fishing, rafting, sipping local wine or enjoying an afternoon at the park, the visitor center has all the information you'll need.

For those planning to attend one of the "too-many-to-count" great events happening throughout the Land of Umpqua, you can find all the event details at the Roseburg Area Chamber of Commerce & Visitor Center. Stop in and pick up a calendar of events brochure for summer or find us online at www.visitroseburg.com for even more area attractions and event information.

Project Leadership Roseburg

2017-2018

CALLING ALL FUTURE BUSINESS LEADERS
Are you or one of your employees a future Douglas County business leader?

Then now is the time to apply for participation in the 2017-2018 Project Leadership Roseburg program.

Since 1989, more than 550 business men and women have graduated from Project Leadership Roseburg, and many of today's respected Douglas County business and civic leaders are graduates of this esteemed program. Now in its 29th year, the mission of the Roseburg Area Chamber of Commerce's leadership program is to educate, inspire, and strengthen community-minded individuals through increased business and community awareness and to promote civic activism through volunteerism.

Not your typical leadership program, Project Leadership provides participants with a comprehensive awareness of the many facets of Douglas County and they gain a deeper understanding of how our community works, directly from its leaders. The nine-month program not only imparts knowledge about our region, but fosters dedication to our community as participants learn about opportunities for involvement to help create a more vibrant future for Douglas County.

Making a Commitment to Leadership

Project Leadership Roseburg requires a two-year commitment from participants. During the first year, participants attend nine day-long sessions each month—from September through May. Each month, participants will attend a full-day workshop, panel presentations/briefings, and/or tours on different session topics. During the first year, participants will also select, organize, raise funds and implement a community-benefit project.

Project Leadership challenges its participants to become more involved in local politics, the chamber, community and civic organizations—all for the future betterment of Douglas County. This involvement will start soon after participants "graduate" from the leadership program in May. They will assist chamber staff with facilitation of workshop sessions for a new class of Project Leadership participants; thus, fulfilling their second year commitment to the program.

Now Accepting Applications

The chamber is currently accepting applications for the 2017-18 Project Leadership class. Space is limited. Applicants may be employer-sponsored or self-sponsored. The cost for the program for Roseburg Area Chamber members is \$650; the cost for non-member participants is \$850. Roseburg Area Chamber members will be given priority and acceptance is on a first-come/first-approved basis. Only one candidate per company may be accepted.
