## Project Leadership Roseburg is a Must for Future Leaders

The Roseburg Area Chamber of Commerce is now accepting applications for 2018-19 Project Leadership Roseburg. If you or one of your employees is a future Douglas County business leader, then you'll want to be part of Project Leadership which begins in September. The chamber is very proud of this long-standing program and this year marks our 30th year! Since its inception, the chamber has graduated nearly 600 individuals from this distinguished professional development program.

Not your typical leadership program, Project Leadership Roseburg provides participants with a comprehensive awareness of Douglas County and a deeper understanding of how our community works directly from our leaders. The nine-month program shares knowledge about our region and fosters dedication to our community as participants learn about how they can get involved to help create a more vibrant future for Douglas County. Project Leadership is a two-year commitment for participants. During the first year, participants attend a day-long session each month from September 2018 through May 2019. The full-day workshops range from panel presentations to tours on a variety of subjects and include leadership and team-building activities. The subjects include in-depth glimpses at economic drivers such as natural resources, manufacturing, tourism, education and health care industry, to name a few.

Participants will be the chamber's guests at Economic Forecast this fall, the annual awards banquet next January
