Join Chamber Legislative Conference Calls

During the 2019 Oregon Legislative Session, the Roseburg Area Chamber of Commerce will again host twice monthly discussions with the five members of our county's delegation in Salem. These conference call discussions are an incredible opportunity for our members to hear firsthand about what's happening in Salem during the session and to be sure our delegation is aware of local business positions on potential legislation.

Our first discussion with legislators is scheduled for early February. The membership will be notified of the first legislative discussion date via email. The calls are held in the chamber conference room. Look for more information about this great member-only benefit in a future member "Chamber News" emails and the February issue of the chamber's *Business Perspectives* e-newsletter.

Member businesses and organizations attending the chamber's annual awards banquet have the option of creating centerpieces for their table that reflects the annual dinner's theme, "Your Business... Our Priority." All participants must inform the chamber, in advance,

of their intent to enter the table decorating contest. Contact the Roseburg Area Chamber of Commerce for information about table decorating to receive the "centerpiece rules and guidelines." Attendees not creating a themed-centerpiece for their table will need to make arrangements to have floral centerpieces delivered to the fairgrounds between noon and 4:00 p.m. on January 24.

Green Elementary School to Get Playground Update

Chamber Leadership Program Selects Community Benefit-Project

Each year the Roseburg Area Chamber of Commerce's Project Leadership class selects a community-benefit project that provides them with the opportunity to take on leadership roles in the planning, funding and completion of a project that positively impacts the well-being of our community and its residents.

This year's Project Leadership class have selected a project to improve the playground at Green Elementary School by upgrading safety measures, increasing physical activity, implementing academic integration and promoting school and community pride.

The class will remove the existing pea gravel and replace it with wood chips, paint current activity areas on the playground as well as add more painted activities such as a roshambo game and a 1/10th mile track.

Project Leadership participants have already formed task groups to complete the project by May 2019. The class will be collecting tax-deductible donations over the next several months to make this project a reality. Those interested in making a contribution to this project may send a check payable to the Roseburg Chamber of Commerce Foundation, PO Box 1026, Roseburg OR 97470. Please note on your donation that it's for the "Project Leadership Class Project."

Project Leadership Roseburg is a business leadership development program of the Roseburg Area Chamber of Commerce. This annual program challenges participants to increase their knowledge about Roseburg and Douglas County and become more actively involved in our community. The chamber's Project Leadership program is in its 31st year. The chamber greatly appreciates the incredible support we continue to receive from our members and the Douglas County business community each year.
