Project Leadership will begin its
31st year in September.
Project Leadership Roseburg is

Project Leadership Roseburg is more than your typical leadership program. It provides participants with a comprehensive awareness of Douglas County that includes a deeper understanding of how our community works. Participants learn this directly from our business, government and community leaders. The nine-month program shares knowledge about Douglas County that fosters dedication to

our community as participants learn about how they can get involved in our community to help create a more vibrant future. The class, as a whole, will select, raise funds and complete a small community-benefit project during the

Leadership

course of nine months. Project Leadership Roseburg is a two-year commitment for participants. During the first year, they attend a day-long session each month from September 2019 through May 2020. The full-day workshops range from panel presentations to tours on a variety of subjects and include leadership and teambuilding activities. The various workshop subjects include details about economic drivers such as natural resources, manufacturing, health care and education, to name a few. The first workshop is Thursday, September 12.

Included with the price of tuition, participants of the program will attend the chamber's Economic Forecast 2020 in November and annual awards dinner next January. Of course, participants will also be front and center at the chamber's May 2020 membership meeting luncheon for project leadership graduation. After graduation in May of 2020, participants will support chamber staff with facilitation of a workshop session for a new class of participants, thus, fulfilling their second-year commitment to the leadership program.

The Roseburg Area Chamber is currently accepting applications for the 2019-20 leadership program. Space is limited. Applicants may be either employer or self-sponsored. The cost for the program is \$700 for members of the Roseburg Area Chamber of Commerce and \$925 for non-members. Obviously, priority will be given to members of the Roseburg Area Chamber of Commerce. Acceptance is on a first-come, first-approved basis. The application, along with additional program information, can be found on pages 8-11 of this issue of Business Perspectives. **The deadline for application submittal is August 9, 2019.**

Interested in Hosting Business After Hours?

The chamber still has a few openings for qualified members to host a Business After Hours on September 10, October 8 and November 12. The chamber's 2019 Business After Hours event will be booked on a first come, approved and signed contract basis.

For more information about Business After Hours criteria or to request an application form, please call (541) 672-2648, ext. 23 or email sales@roseburgareachamber.org.

Support Local Businesses with \$hop Chamber & \$ave

Annual investment in the Roseburg Area Chamber of Commerce provides our members with many opportunities to promote and share the goods and services our member businesses provide. One such opportunity is to offer discounts to fellow chamber members and their employees through the chamber's "Shop Chamber and Save" program. Build rapport in the business community, increase visibility and grow our local businesses through member-to-member discounts.

To see what current discounts our business members are currently offering, see flyer on page 7. If your business would like to participate in this program in 2020, please let us know by calling (541) 672-2648 ext. 23

Green Elementary Project Complete

The Roseburg Area Chamber of Commerce is proud to announce the graduation of our 2018-19 Project Leadership class. We commend these students for their time and commitment to the nine month program that challenges participants to increase their knowledge about Roseburg and Douglas County and become more actively involved in our community.

Project Leadership participants are eager to report their completion of this year's class project with a playground upgrade at Green Elementary School. Through generous member donations the class was able to replace pea gravel
