

REMINDER: Action Alert! Comments Needed to Oregon OSHA by April 2

Local businesses have borne the brunt of the state's response to the COVID-19 pandemic. Employers have been tasked with enforcing the Governor's mask mandate, enforcing the 6-foot social distancing requirements, among countless other mandates.

Now, OR-OSHA is considering the adoption of [permanent COVID-19 Workplace Rules](#) that layer new regulations on local employers nearly 14-months into the pandemic.

OR-OSHA should be providing workers and local businesses with certainty that their efforts to vaccinate and social distance are acknowledged, not creating new mandates that add costs as we work to reopen the economy.

OR-OSHA needs to hear from concerned employers and workers about the proposed scope COVID-19 workplace rules. Urge OR-OSHA to reset their approach to this pandemic. Our local employers and workers should not be further penalized by government overreach. Please also consider sending a copy of your comments to your local state legislator here: [Find Your Legislator](#)

PPP Application Deadline Extended to May 31

Businesses interested in applying for a Paycheck Protection Program (PPP) loan will be pleased to learn that yesterday President Biden signed the [Paycheck Protection Program \(PPP\) Extension Act](#) into law extending the PPP deadline from March 31 to **May 31, 2021**. If you received an initial PPP loan from a bank or credit union during the first round, please contact them regarding a second loan. If this is a first-time PPP application: (1) [Use this map](#) to enter your ZIP code and find nearby PPP lenders, (2) Get matched with potential PPP lenders using the [SBA Lender Match tool](#), or (3) contact your local SBA office for more information on community financial institutions offering access to PPP [HERE](#).

Shuttered Venue Operators Grant (SVOG) Application Opens

April 8

The Small Business Administration will begin accepting application on April 8. The SBA has launched a ["splash" page for the Shuttered Venue Operators Grant \(SVOG\) application portal](#) in anticipation of application for the critical economic relief program opening April 8.

Eligible venues can receive assistance both through the [Paycheck Protection Program \(PPP\)](#) and the American Rescue Plan Act's SVOG program. The SVOG will simply be reduced by the PPP loan amount. The PPP loan applications have been revised to reflect this update.

The SBA has created tools and resources to help potential SVOG applicants prepare, including:

- Regularly updated [Frequently Asked Questions \(FAQs\)](#)
- [Video tutorials](#), including how to register on the System for Award Management ([SAM.gov](#)), a federal requirement to receive an SVOG
- A [Preliminary Application Checklist](#) to help you gather documents and other information that may be needed
- An [Eligibility Requirements Chart](#) to help determine qualifications

Important Updates to COVID-19 Economic Injury Disaster Loans

(EIDL)

The lending limit will increase to \$500,000 in April. Starting the week of April 6, the SBA will increase the maximum amount small businesses and nonprofit organizations can borrow through the COVID-19 EIDL program from six months of economic injury with a maximum loan amount of \$150,000 to up to 24 months of economic injury with a maximum loan amount of \$500,000.

Businesses that receive a loan subject to the current limits do not need to submit a request for an increase at this time. Rather, the SBA will reach out directly via email and provide more details about how businesses can request an increase closer to the April 6 implementation date. For more information on the limit increase, [CLICK HERE](#).

The deferment period is extended until 2022. The SBA has extended deferment periods for all disaster loans, including the COVID-19 EIDL program, until 2022. All SBA disaster loans made in calendar year 2020 will have a first payment due date extended from 12 months to 24 months from the date of the note. All SBA disaster loans made in calendar year 2021 will have a first payment due date extended from 12 months to 18 months from the date of the note. For more information on deferment, [CLICK HERE](#).

You can receive an EIDL and a PPP or SVOG. You can receive an EIDL and also receive a [Paycheck Protection Program \(PPP\)](#) loan or a [Shuttered Venue Operators Grant \(SVOG\)](#). However, they cannot be used for the same purpose or costs as the EIDL.

An EIDL helps businesses meet financial obligations and operating expenses that could have been met had the disaster not occurred. The terms are for 30 years at a 3.75% fixed interest rate for businesses and 2.75% fixed interest rate for nonprofits. Unlike the PPP, an EIDL is not forgivable. Reminder: 2020 Corporate Activity Tax (CAT) Returns Due April 15

Businesses with commercial activity in excess of \$1 million in 2020 must file a CAT return by April 15. Businesses with more than \$1 million in taxable commercial activity will have Corporate Activity Tax to pay. The tax is \$250 plus 0.57% of commercial activity greater than \$1 million after subtractions.

Revenue has honored good-faith efforts to comply with the CAT by businesses negatively affected by the COVID-19 pandemic in 2020. Penalties will not be assessed for underestimated quarterly payments or for not making a quarterly payment for the Corporate Activity Tax, if businesses did not have the financial ability to make the estimated payment.

However, payment of 2020 CAT liability is due in full April 15. Businesses can, with good cause, seek an extension to file. An extension to file is not an extension to pay tax owed.

One-Time Registration. The Department of Revenue reminds business owners that once they have more than \$750,000 in commercial activity in 2021, they have 30 days to register for the Corporate Activity Tax unless they have already registered. Registration for CAT is a one-time requirement, however, and businesses that registered in 2020 do not have to register again. CAT registrations topped more than 20,000 in its first year. That number continues to grow as new businesses begin to reach the \$750,000 threshold in 2021.

2021 Quarterly Payments. Taxpayers expecting to owe \$5,000 or more in Corporate Activity Tax for tax year 2021 must make estimated quarterly payments. Estimated payments for 2021 are due April 30, August 2, November 1, and January 31, 2022. Returns are due April 15.

Training aids to assist with registration, calculating the tax, and making payments can be found on the [CAT page](#) of the agency's website. Taxpayers with general questions about the CAT can email cat.help.dor@oregon.gov or call 503-945-8005.
