Commercial Rent Relief Grants for Small Business Opened April 22

Business Oregon opened the second round of its grant program for building owners to cover outstanding lease payments from small business tenants behind on rent due to COVID-19 last Thursday, April 22. **Act quickly. The grant application program is only open for two weeks, closing on May 6, 2021.**

The grants can go up to \$100,000 per each business tenant, but no more than \$3 million for each landlord. This grant program is NOT first-come, first served. There is approximately \$42 million in funds available this round (there was \$49.9 million available in round one and nearly \$65.4 million in grant application requests). Applicants not selected in round one are automatically entered into round two. Applications will be chosen by a random lottery system in any geographic region that has more applicants than funds available.

This program helps small business tenants with 100 or fewer employees. Both the business tenant and the property owner will need to participate in the application process and sign the grant agreement, but the initial application needs to be completed by the landlord.

Minor changes to round two of the grant program include, the minimum grant amount is now \$500 (reduced from \$1000), landlords can be publicly-traded businesses and sole proprietors do not need to register their business with the Secretary of State, if they are not otherwise required to do so.

Restaurant Revitalization Fund (RRF) Coming SOON!

Soon the Small Business Administration (SBA) will launch the Restaurant Revitalization Fund (RRF) program. In order to be ready to apply when that day comes:

- (1) **Get Program Details.** Get the [RRF program details](#) such as eligibility, funding amount, allowable use of funds and more. If you haven't already, [sign up](#) for RRF email updates.
- (2) **Get Prepared.** The SBA is not currently accepting applications for RRF. However, you can prepare your application by reviewing the [sample application](#), [program guide](#) and [cross-program eligibility chart](#) on SBA COVID-19 relief options. You will be able to apply through SBA-recognized Point of Sale Restaurant Partners or directly via SBA in a forthcoming online application portal. Registration with SAM.gov is not required. DUNS or CAGE identifiers are also not required.
- (3) **When to Apply.** The official application launch date will be announced shortly. Ahead of the application launch and over the next two weeks, the SBA will establish a seven-day pilot period for the RRF application portal and conduct extensive outreach and training on how to apply, application requirements and where to apply. Participants in this pilot are randomly selected from existing PPP borrowers in priority groups for RRF and will not receive funds until the application portal is open to the public.

Following the pilot, the application portal will be opened to the public. For the first 21 days that the program is open, the SBA will prioritize reviewing applications from small businesses owned by women, veterans, and socially and economically disadvantaged individuals. Following the 21-day period all eligible applicants are encouraged to submit applications.

RACC will let our members know when the program is going to open as soon as the date is announced. For details about the program, visit the SBA's [Restaurant Revitalization Fund](#) information page.
