

Project Leadership is Back!

The chamber is currently accepting applications for its distinguished 2021-22 Project Leadership program. The 32nd year of Project Leadership Roseburg will begin on Thursday, September 9, 2021. Project Leadership Roseburg provides participants with comprehensive insight of Douglas County and an understanding of how our community works directly from public and private-sector leaders from throughout our county. The chamber is proud to have graduated nearly 650 community leaders from its leadership program and looks forward to welcoming and working with a new group of future community-minded individuals. Chamber's Most Requested/Distributed Publication Accepting Ad Reservations

The Roseburg Area Chamber of Commerce's 2021-22 *InUmpqua*—a business directory, community profile and visitor magazine—is now accepting reservations for ad placement. Thousands of copies of the *InUmpqua* have and will be distributed to residents, businesses, visitors and folks relocating to our area. Not to mention the thousands of views and downloads of the online edition of the publication each year.

The *InUmpqua* remains one of the best advertising mediums available to market our members' goods and services. It also provides an opportunity to support the chamber and local business community, as a portion of these "non-dues" revenue helps underwrite the work the chamber does each year on behalf of businesses.
