Secure Your Spot in the 2022-23 InUmpqua Magazine

Reservations for advertising space in the Roseburg Area Chamber of Commerce's 2022-23 *InUmpqua*—a business directory, community profile and visitor magazine—are now being accepted. The *InUmpqua* magazine is the chamber's most-requested publication. Printed copies of the *InUmpqua* are distributed to residents, visitors, and businesses, alike. Not to mention the thousands of individuals that view and/or download the online edition of the publication each year. This publication remains one of the best advertising mediums available to market our members' goods and services. It also provides an opportunity to support the chamber, as a portion of advertising "non-dues" revenue helps underwrite the chamber's annual operating expenses. The chamber distributes the *InUmpqua* at the chamber/visitor center and provides it to chambers of commerce and visitor information centers around the state. The publication is used to fulfill visitor information as well as business and individual relocation requests. Reservation deadline is August 31, with the ad submittal deadline September 20.
