

Tickets On Sale Now for Members' April 8 Lunch

The Roseburg Area Chamber's April 8 membership lunch program will feature Oregon Business & Industry president and CEO, Angela Wilhelms. Angela will provide a brief update of the recently-wrapped 2024 Oregon legislative session, offer a 2024 election preview and preview of what business might expect from the 2025 Oregon Legislature, all with a lens on why these things matter to the statewide business conversation. Angela is also going to be interested in hearing from our business members about whatever state policy is on their minds, as part of OBI's information-gathering for its 2025 Legislative Agenda development.

Angela is a native Oregonian with a 20-year career in public service. As president and CEO of Oregon Business & Industry (OBI), a statewide association that advocates on behalf of businesses of all sizes, from all industries and in all parts of the state. OBI's advocacy, research and political work involves a wide variety of issue areas important to Oregon's employers. Prior to her role at OBI, Angela practiced business law at the Portland firm of Dunn Carney, was a senior administrator at the University of Oregon, and spent several years as chief of staff for the House Minority Office and House Co-Speaker Bruce Hanna's Office.

Chamber membership lunches are held from 11:45 am to 1:00 pm at the Douglas County fairgrounds. The lunch buffet opens at 11:45. [Tickets are on sale now](#). If you have a season pass, your seat at the lunch is already reserved. Advanced ticket purchase is required to attend; tickets are not available at the door. Online ticket sales only. **The last day to purchase tickets is April 3 at noon.** [GET YOUR TICKETS!](#)
