

## What Does It Take To Be an Emerging Business & Community Leader?

### *Chamber Accepting Applications for 2025-26 Leadership Program*

The chamber's Project Leadership Roseburg is an intensive, nine-month leadership program devoted to strengthening and educating emerging business and community leaders. Project Leadership gives participants an in-insight into the major sectors and systems that contribute to how our Roseburg and Douglas County community functions and interacts. Participants will also hear about the variety of issues impacting business and the community directly from local leaders from throughout Douglas County.

The nine-month experience includes four special events and eight "sessions" that range from one-on-one interaction, panel presentations to tours, expanding knowledge about our region. The program nurtures community involvement as participants learn about the importance of local volunteerism to create a vibrant future for Douglas County.

Workshops focus on a variety of local industry, public and non-profit sectors. Subjects include in-depth glimpses at economic drivers such as natural resources, manufacturing, tourism, education and health care industry, to name a few. Participants will attend Economic Forecast 2026, the membership meeting lunch in November, the annual awards lunch in March of 2026 and, of course, graduation at the May 2026 membership luncheon.

Enrolling in Project Leadership is a must for all emerging leaders! The Roseburg Area Chamber is very proud of this long-standing program which has graduated more than 700 emerging leaders, and this year marks our 36th year! Check out our 2024-25 Project Leadership graduates at [Current News](#) online, and see a related story on page 6.

The cost for the program is \$775 for members of the Roseburg Area Chamber and \$975 for non-members. Roseburg Chamber members are given priority. Acceptance is on a first-come, first-approved basis.

The application form is on pages 7-10 in this issue of *Business Perspectives*, along with program curriculum and workshop dates. The submittal deadline is August 21.

## InUmpqua (Continued)

The *InUmpqua* magazine remains one of the best advertising values available to promote your business or organization. The chamber's *InUmpqua* magazine is wholly-funded by member advertising dollars. Advertising also provides an opportunity to support the chamber, as a portion of advertising "non-dues" revenue helps underwrite the chamber's annual operating expenses.

Check out our [2025 InUmpqua](#) on the chamber website. The reservation deadline is September 30, with the ad submittal deadline October 15.

A copy of the 2026 advertising rate sheet/contract for the *InUmpqua* is on page 4. If you already know the level of your participation in the upcoming issue, please fill out the contract and return it to the Roseburg Area Chamber of Commerce, PO Box 1026, Roseburg OR 97470 or scan and email it to the chamber business office, [roseburg@roseburgareachamber.org](mailto:roseburg@roseburgareachamber.org).

If you have any questions, contact the chamber by email at [roseburg@roseburgareachamber.org](mailto:roseburg@roseburgareachamber.org) or by calling (541) 672-2648.

## Chamber Fights for Business All Session Long

### *Recapping Outcomes of RACC 2025 Legislative Priorities*

The Roseburg Area Chamber identified its priorities for the 2025 Oregon Legislative Session late last year as shared with the membership in our [2025-26 Public Affairs & Legislation Agenda](#).

As the session commenced and progressed the chamber tracked the many bills on its radar, weighing in those the chamber believed to have the greatest impact on local business. Most of these bills were posted to RACC's [Issues & Positions](#) online.

At 11:15 pm on Friday, June 27, the regular session of Oregon Legislature adjourned, two days ahead of Constitutional sine die. For a recap of final outcomes of the bills RACC actively supported or opposed, [Click Here](#).

Detailed recaps of business issues from the 2025 regular session from the Oregon State Chamber of Commerce (OSCC) and Oregon Business & Industry (OBI) will be posted on the chamber website soon, with links in a future member "Chamber News" email.

**Reminder that RACC membership meeting lunches are on hiatus for the summer. Look forward to the return on September 15.**

# Nurturing Our Emerging Business & Community Leaders

## *The "Village" Behind RACC Project Leadership Roseburg's Success*

Each year during the first session of Project Leadership, new participants are told they will learn firsthand from business and community leaders about our community and that being a leader means giving back and actively participating in our community. They learn that most of our local leaders are not such because of the title they carry from their respective organizations, but because of how they dedicate and volunteer their time and talents giving back to our Douglas County community outside their vocation.

We have so many leaders from every sector in our community! This fact is reflected in the over 100 individuals, businesses, organizations, governments and special districts that support the chamber's leadership program by sponsoring or hosting a class session, providing tours, speaking with participants, serving on panel presentations and assisting with scheduling behind the scenes. There are so many who volunteer their time in support of the chamber's effort to nurture and inspire emerging business leaders who recognize the importance of community volunteerism.

As we celebrate our 2024-25 Project Leadership graduates and their employers, see [Current News](#) online, we take this opportunity to thank those individuals and organizations which played a significant part in the success of the chamber's 2024-25 Project Leadership Roseburg program! We apologize if we missed any of the individuals who stepped to cover for someone with a last-minute conflict and to the many "behind-the-scene folks" whose contributions were invaluable.

# Project Leadership Roseburg

## 2025-26

**CALLING ALL FUTURE BUSINESS LEADERS**

*Are you or one of your employees a future Douglas County business leader?*

### **Now is the time to apply for participation in the 2025-2026 Project Leadership Roseburg program.**

Since 1989, nearly 700 business people have graduated from Project Leadership Roseburg, and many of today's respected Douglas County business and civic leaders are graduates of this esteemed program. Now in its 36<sup>th</sup> year, the mission of the Roseburg Area Chamber of Commerce's leadership program is to educate, inspire, and strengthen community-minded individuals through increased business and community awareness and to promote civic activism through volunteerism.

Not your typical leadership program, Project Leadership provides participants with a comprehensive awareness of the many facets of Douglas County and they gain a deeper understanding of how our community works, directly from its leaders. The nine-month program not only imparts knowledge about our region, but fosters dedication to our community as participants learn about opportunities for involvement to help create a more vibrant future for Douglas County.

### **Making a Commitment to Leadership**

Project Leadership Roseburg requires a two-year commitment from participants. During the first year, participants attend eight day-long sessions, one per month. Each month, participants will attend a full-day workshop, panel presentations/briefings, and/or tours on different session topics.

Project Leadership challenges its participants to become more involved in local politics, the chamber, community and civic organizations—all for the future betterment of Douglas County. This involvement will start soon after participants "graduate" from the leadership program in May. They may assist chamber staff with facilitation of workshop sessions for a new class of Project Leadership participants; thus, fulfilling their second-year commitment to the program.

### **Now Accepting Applications**

The chamber is currently accepting applications for the 2025-26 Project Leadership class. Space is limited. Applicants may be employer-sponsored or self-sponsored.
