State of the State's Economy & Oregon Business

November Membership Meeting Program

The Roseburg Area Chamber's last membership meeting of 2025 will host a program on the state of our state's economy. The presentation will focus on the state of business in Oregon including a recent analysis of Oregon's regulatory impacts on business and other factors resulting in Oregon's plummeting business ranking in the US.

Presenting the November membership meeting lunch program will be Oregon Business & Industry president and CEO, Angela Wilhelms. In addition to the above, Wilhelms will also share information about an OBI initiative to repeal ORS 195.530 (HB 3115) related to restrictions on local governments' ability to manage and enforce unsanctioned public camping. She is also expected to discuss what business may expect to see in the upcoming 2026 Oregon Legislative Session. [GET TICKETS!](#)

Chamber to Advocate for Repeal of HB 3115

At its October meeting the Roseburg Area Chamber of Commerce board of directors voted unanimously to support any proposed legislation, initiative petition and ballot measure with the intent to repeal HB 3115 (ORS 195.530).

In 2021, the Oregon Legislature passed HB 3115, in response to a federal court case involving the authority of local governments to control unsanctioned camping. In 2024, the U.S. Supreme Court affirmed the authority of local governments to control unsanctioned camping. Unfortunately, HB 3115 restricts how local governments can address unsanctioned camping on public property.

On October 15, Oregon Business & Industry (OBI) filed an initiative petition, the "Local Control and Safety Act," that seeks to repeal the 2021 Oregon law that prevents cities and counties from addressing unsanctioned camping. Repealing this law would allow communities to determine for themselves how to respond to the homelessness crisis in our streets and improve community safety.

It is OBI's position, and Roseburg Area Chamber leadership concurs, that HB 3115 should be repealed because the law prevents local governments from managing homelessness challenges in a manner consistent with their communities' needs and expectations. The tent encampments that have arisen throughout Oregon have eroded community safety while compromising the dignity of homeless people themselves. Local governments lack the resources

to provide sanitary services such as toilets and running water to unsanctioned encampments. Homelessness is a complex problem, and its causes and solutions vary from one place to another. To address it, local governments need the flexibility HB 3115 prohibits.

OBI leadership believes there is an opportunity to repeal HB 3115 during the 2026 Legislative Session. In a statement, OBI asserts the law has made Oregon's homelessness crisis worse, not better, and polling shows consistently that Oregonians overwhelmingly want HB 3115 repealed or reformed. Oregonians need their legislators to repeal this failed law with the same urgency with which they adopted it in 2021. The filed initiative is a last resort, but election timelines and processes require the filing to occur now even while OBI and others seek a legislative solution.

The RACC will actively support the repeal of HB 3115 during the 2026 session and, if needed during the initiative and ballot measure process. Look for more details and information in future "Chamber News" member emails, action alerts and *Business Perspectives* newsletters.

Honoring Outstanding Businesses and Individuals

Nominations Open for 2025 Business of the Year & First Citizen Recognitions

The Roseburg Area Chamber of Commerce is now accepting nominations for outstanding businesses, chamber volunteer of the year and our first citizen recognitions. Honorees will be announced at the chamber's annual event in March 2026.

Now is the time to submit your 2025 nominations. There are three categories for "Business of the Year" recognitions--small, medium and large-size Roseburg Area Chamber of Commerce member businesses. These honors are bestowed on businesses that have been a member of the Roseburg Area Chamber of Commerce for at least the past two years. The chamber may also recognize an outstanding individual as its volunteer of the year and a local member-business for its innovation.

Nomination criteria for all 2025 recognitions are included on the forms on pages 11 and 12. Check out past recipients of the chamber's [business of the year honors](#). Submittal deadline for nominations is February 3, 2026.

The chamber is also seeking nominations of deserving individuals for our community's highest honor, First Citizen. The chamber is honored to present this annual recognition to local residents for their long tenure of volunteerism in our Roseburg and Douglas County community. First citizens are distinguished by the giving of their time and talents in a variety of areas and activities, outside their professional vocation. These recognized business and community leaders inspire others with their community-minded dedication.

Take a look at the list of our past [First Citizen honorees](#). For details about first citizen nomination criteria, please see the nomination form on page 13, or email Debbie Fromdahl at the chamber with your questions. The submittal deadline for first citizen nomination packets is February 3, 2026.

It's Been Quite the Wild Ride

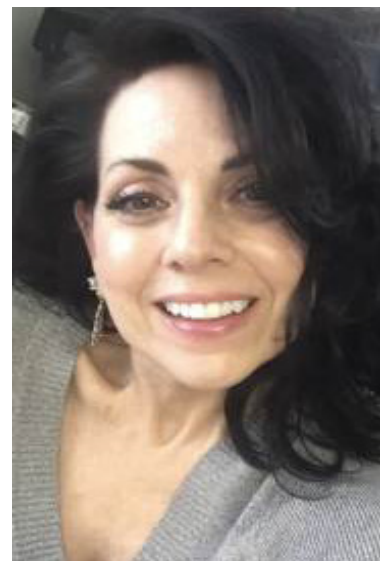

Economic upticks and downturns, including the Great Recession and a nearly two-year global pandemic . . . too many breakfasts, lunches, meetings, "Chamber News" and "Action Alert" blasts to count . . . 21 board chairs, hundreds of board and committee member volunteers, thousands of businesses served, tens of thousands of communications--phone conversations, emails, notes, postcards, letters and texts . . . political advocacy battles won, and lost . . . an ever-changing cultural, political and business environment . . . all the highpoints and lowlights have combined to make the nearly 24 years as RACC's president and CEO one wild ride.

In February of 2026, I will celebrate 24 years with the chamber, I will also celebrate my retirement. When I first shared my intent with board leadership in the fall of 2024, soft prep began. In June of this year the chamber's board-sanctioned succession plan and timeline was put in place. The search and hiring plan for a experienced, credentialed chamber professional is underway and once a decision is made by the board, the membership will be advised.

Our timeline provides adequate time and support for transition. I have every confidence that with that dedicated time, and with support from our members, the eventual hiring of the chamber's new president and CEO will result in a seamless transition and ensure RACC members continue to receive the advocacy expected from the Roseburg Area Chamber.

During its planning for 2026, the chamber board defined two major priorities for where it wanted the organization to be over the next two years--advocacy (the protection and defense of business) and sustainability (growing membership and funding sources to sustain the work the chamber does on behalf of business).

Members are key to the success of the chamber--its priorities and new leadership. Here are few things members can do: (1) help grow membership with mission/vision-focused members--businesses that support the chamber's purpose rather than transactional-focused; (2) attend chamber programs and events and bring another business as a guest; (3) recognize that individual "benefits" are an added bonus, not a given; the purpose of a chamber is its "greater good" business advocacy; (4) pay invoices in a timely fashion--per the membership application you submitted (see related article in the September/October newsletter); (5) send an employee--or yourself--through Project Leadership; (6) when you can, advertise or sponsor; membership dues are only about 40% of a healthy chamber operating budget; these dollars keep your chamber sustainable and its inexpensive promotion; and, (7) when it comes to new leadership, cut them slack and give them grace; they will need it and deserve it, they are not taking on an easy role. It's not good-bye just yet. I'll have more to impart over the next few months . . . stay tuned! And, as I've probably said at least a thousand times, please reach out if you have any questions.
